

# Arizona Project WET

presents...

## *Water Education Workshop Series!*

***Project WET Curriculum and Activity Guide and the Arizona Conserve Water Educator's Guide free of charge and a \$100 stipend\* will be provided thanks to our sponsor, the Abbott Fund !***

***Our locally relevant water education will bring your curriculum to life!***

### **Dates:**

October 22, 2009  
November 19, 2009  
January 28, 2010  
February 18, 2010

### **Times:**

4:15 PM—6:15 PM

### **Location:**

**Cholla Elementary School  
Media Center**  
1180 E Kortsen Rd.  
Casa Grande, AZ 85221

Register soon!  
Attendance limited to  
20 participants.

**\*The \$100 stipend is only available to participants who attend all four parts of the Water Education Workshop Series!**

This one of a kind Professional Development opportunity for teachers and educators focuses on general water science for all grade levels with an emphasis on water conservation. All Arizona Project WET curriculum guides are correlated to the AZ Academic Standards, see:

<http://ag.arizona.edu/arizonawet/standards/azstandardscorr.html>

This workshop will:

- provide 8-hours of Staff Development & Continuing Education Credits,
- help teachers meet the Arizona Academic Standards,
- introduce relevant water content with lessons that meet multiple learning styles.
