Dear Parents, Leaders and Members,

Food for thought as we start into 2007.

What the Colors Mean

In most 4-H contests everyone gets a ribbon; white, red or blue. This is known as the Danish system of awarding ribbons. The 4-H'ers are evaluated against certain standards, not against one another. We've had contests where all the kids got blue ribbons and some where all got whites.

A **WHITE** ribbon does not mean a "poor job". White means okay, good, average, but much improvement needed to meet top standards.

A **RED** ribbon does not mean a "mediocre job". Red means very good, but still one or two major improvements needed to meet top standards.

A **BLUE** ribbon does mean excellent, meets or nearly meets top standards.

Each ribbon should mean that's the best that 4-H'er could do, in that particular activity, at that particular time. The key is to learn from the experience, feel good about one's self, and move on and do better next time.

4-H Competition Sportsmanship Motto

"Keep your head when you win/and your heart when you lose."

Sometimes leaders and members dislike the way a committee handles a judging event or disagree with a judge's decision. It is important to try to be fair and reasonable. See if you can state reasons why you disagree. Keep in mind judging is not like scientific testing:

- Even experts sometimes disagree
- Standards change as research helps us get improved practices and products

4-H Club Members should:

- Play fair
- Respect others' rights to their opinions
- Keep an open mind
- Be willing to try again

We have high standards for our products. As we judge, and in our other 4-H activities, we need to work for high standards in how we get along with others!

Happy New Year Everyone!

4-H/FFA EXPO Meetings

The Yavapai County 4-H/FFA EXPO Committee meets the first Tuesday of every month in the Shelby Hansen Memorial Room at the Prescott Frontier Days Rodeo Grounds starting @ 6:30 p.m. Every community club is encouraged to send a representative to every meeting. For more information and to confirm meeting dates and times, contact Ken Vargha, General Superintendent by email at kvargha@cablone.net or by phone at (928) 541-9097.

Speak Up! & Speak Out at Expo 2007

For the first time in many years there will be an opportunity for youth to share their knowledge of 4-H/FFA through speeches, illustrated talks or demonstrations. Check out the information on page 47 of the Expo Premium Book for more information.

New to EXPO in 2007

W-9 : In accordance with rulings from the USDA and the National 4-H Headquarters, the Committee will be issuing IRS form 1099-MISC to all exhibitors who receive \$600 or more in net proceeds from the sale of their animal at auction and/or add-on sponsorships. To ensure compliance with this ruling, we are requiring that all exhibitors fill out, sign, and turn in IRS form W-9 prior to their checks being issued. For your convenience, form W-9 is included in the premium book and on our website at www.4hffaexpo.org. If you have any questions about filling out form W-9, you can access complete instructions at www.irs.gov.

Single Fair Rule : The Yavapai County 4-H/FFA Expo is conducted in accordance with policies and guidelines established by the University of Arizona 4-H Youth Development Program. The policy is that an exhibitor is only allowed to enter market animals (e.g. large livestock, turkey, meat pen, etc.) in one 4-H sanctioned fair per year (October 1 – September 30) and sell that animal at the official 4-H auction. To ensure that this policy is followed in Yavapai County, the Committee will be releasing the names of individuals who sell their animal project at the Expo auction to the Verde Valley Fair Association (VVFA). By participating in the Expo auction, you are agreeing with the release of your name to the VVFA.

Seasonal Passes / Premise I.D.'s : Beginning with the 2007 Expo, we have been advised that all exhibitors will be required to be in

full compliance with the Arizona Dept. of Agriculture regulations regarding Seasonal Passes. To ensure compliance, we are requiring that a copy of your Seasonal Pass be submitted with all large livestock animals entered at Expo, except swine. The requirements & instruction on how to obtain a Seasonal Pass are available on the state website at www.azda.gov. For your convenience a copy of the Seasonal Pass Application is also available on our website at www.4hffaexpo.org. Please note that all SHEEP and GOATS must have official scrapie identification (requires that the seller/breeder have a premises identification number).

In general, to obtain a Seasonal Pass, you must provide the AZDA with:

- Correctly filled out application
- \$5.00 fee (for up to 10 animals)
- Copy of Bill of Sale
- Scrapie Identification for sheep and goats
- Permanent identification (e.g. brand, tattoo, tamperproof ear tag)
- Proof of Ownership by providing the AZ Self Inspection Certificate number or AZ Livestock Officer's Inspection Certificate (Our of state animals have additional requirements)

For full instructions, be sure to reference the instructions on the Department's website. If you have any additional questions about this policy, **you may call the Department of Agriculture at 602-542-6407.**

Lonesome Valley Cloggers

~ Lora Teskey

Clogging began in September. Our group worked hard to learn or review the basics and beyond in preparation for this holiday season. Now that a routine has been learned and polished we are sharing it with the community. Our debut began Monday December 4th at the Bean Tree. We clogged to the bluegrass version of O Come all ye Faithful (or just O Come Yall Faithful) after warming up the room with a combined round dance called the Patty Cake Polka during the monthly 4H community meeting. There were lots of smiles and mixing going around making it a fun time for all of us. We have two more performances to go. December 16th we will be in Cordes Lakes at the Community Center bringing some noise to their open house; also on December 22nd we will end our holiday performing season at the Mayer Senior Center.

It warms the heart and hands to clog for our community...

Happy Holidays from us to you!

**Prescott Rough Riders
2006 Veteran's Day Parade**

Rough Riders' members designed and created the paper horses and had a blast at the same time. On the left is T.C. North and driving is Matt Cometh.

Our fundraising money purchased a new American Parade Flag. Hollie Crim was very honored to be the first to display it at such a Patriotic celebration.

Walking on the left is Bonnie North; sitting in the car are TC North, Matt Cometh and Rhiannon Cometh with "Rita" on her lap; standing behind taking is Cathy Alger taking pictures.

Chino Valley Break Away Latigos Horse Project Report

~ by Emily Stevens

December 4th the horse club of the Chino Valley Break Away Latigos did a community service project for the soldiers in Iraq. They bought Chap Stick, baby wipes, beef jerky, magazines and a whole bunch of other things. We packed boxes with everything, made signs and took pictures to send to the soldiers. We hope it will make them happy for Christmas.

October 21st was the St. Jude's trail ride. The Chino Valley Break Away Latigos raised money to help St. Jude's Children's Hospital. The ride was about two hours long and they raised around 800 dollars. Everyone who did the ride hopes that they will do it again next year.

Earn the Congressional Award

The Congressional Award is a public partnership created by Congress to promote and recognize achievement, initiative, and service in America's youth. The Congressional Award provides an opportunity for young people to set and achieve personally challenging goals that build character and foster community service, personal development and citizenship. Youth receive national recognition from Congress for their community service efforts.

Congress established the Congressional Award in 1979 to recognize initiative, achievement and service in young people. It began as a bipartisan effort in both the United States Senate and the House of Representatives. The Congressional Awards program challenges young people to challenge themselves, and recognizes young people by awarding congressional certificates or medals for achievement in four program areas: Volunteer Public Service, Personal Development, Physical Fitness, and Expedition/Exploration. The Congressional Awards program is a non-competitive, voluntary program that is open to all young people ages 14-23. An unlimited number of awards may be earned throughout the country. All youth qualify for this award.

How do youth get involved? Youth are asked to fill out a registration form and submit a \$10.00 registration fee to the Congressional Award Foundation, P.O. Box 77440, Washington, DC 20013. Students then work with an advisor to set goals in four program areas and record their accomplishments. Each participant sets their own deadline for program completion. A registration form and Congressional Award information is at the Congressional Award website:
<http://www.congressionalaward.org/congress/>

For more information please contact the national office at (202)226-0130. Students can also contact their congressional office, Andrew Ortiz at andrewortiz@yahoo.com, or Juanita Waits at jwaits@ag.arizona.edu.

The Congressional Award program is a great opportunity for youth to be recognized for their community work. Service being conducted through 4-H Youth Development or other youth and community organizations qualifies for this award. A registration form, a fact sheet and program requirements can be found at www.ag.arizona.edu/yavapai/4hyd
